ABOUT PEGGY

We'd like to introduce you to our co-Founder, Peggy Gruenke. Part of our CPN Legal founding family, Peggy has over 20 years experience in the legal industry. Prior to working with lawyers, she developed integral technology proficiencies and was employed as an IT consultant for small businesses. If her work here with CPN Legal does not keep her busy enough, Peggy is a nationally sought after speaker on legal technology and law firm operations.

Originally from Cincinnati, Ohio, Peggy attended Xavier University. Peggy met her husband, Chris, during her time at Xavier University. They've built many wonderful things together not least of which is their family. Full of energy, Peggy does not sit still for very long.
