Senior Accountant

ABOUT MARK

Let us introduce you to Mark Longbottom! Mark is one of our talented Senior Accountants. He has always been gifted with numbers and financial analysis. In fact, when he was a young boy, his enjoyment of counting money led his sister to declare that he would be an accountant when he grew up. She was right. After graduating with a Bachelor's in Accounting from the University of Cincinnati, Mark pursued a career in accounting that lead him to our team at CPN Legal. Like so many of his coworkers, the family focus and collaborative culture lead Mark to the conclusion that CPN Legal was the right fit for him.

When the workday is done, Mark can often be found working around his 1950's era home making updates and enjoying the space he's created for himself. Out of the house, he is an avid golfer and enjoys experiencing the world around him. Whether it's a simple afternoon on the links, a hike at the local nature preserve, or travelling to farther destinations, Mark has never met a stranger and enjoys taking the time to get to know people.
