Abby is skilled in Halloween and special effects makeup.

Abby is CPN Legal’s go-to for all projects and client needs. While her time is mostly spent on our Invoicing Team assisting clients with their billing process, clients and team members turn to Abby for data entry and projects. She was introduced to CPN Legal through her mom and CPN Legal Senior Accountant, Kim Glassmeyer. Abby initially assisted the team part-time, as her help became more and more invaluable, she joined the team full-time. Abby’s background as a stylist has taught her what it takes to successfully run a small business and allows her to see potential solutions from the perspective of an owner.

Abby is a fan of HGTV and is inspired by shows like Fixer Upper and Love It or List It when it comes to her own home improvement projects. Through the pandemic, Abby and her husband began slowly but surely turning their new home into a space tailored for them and their two cats.
